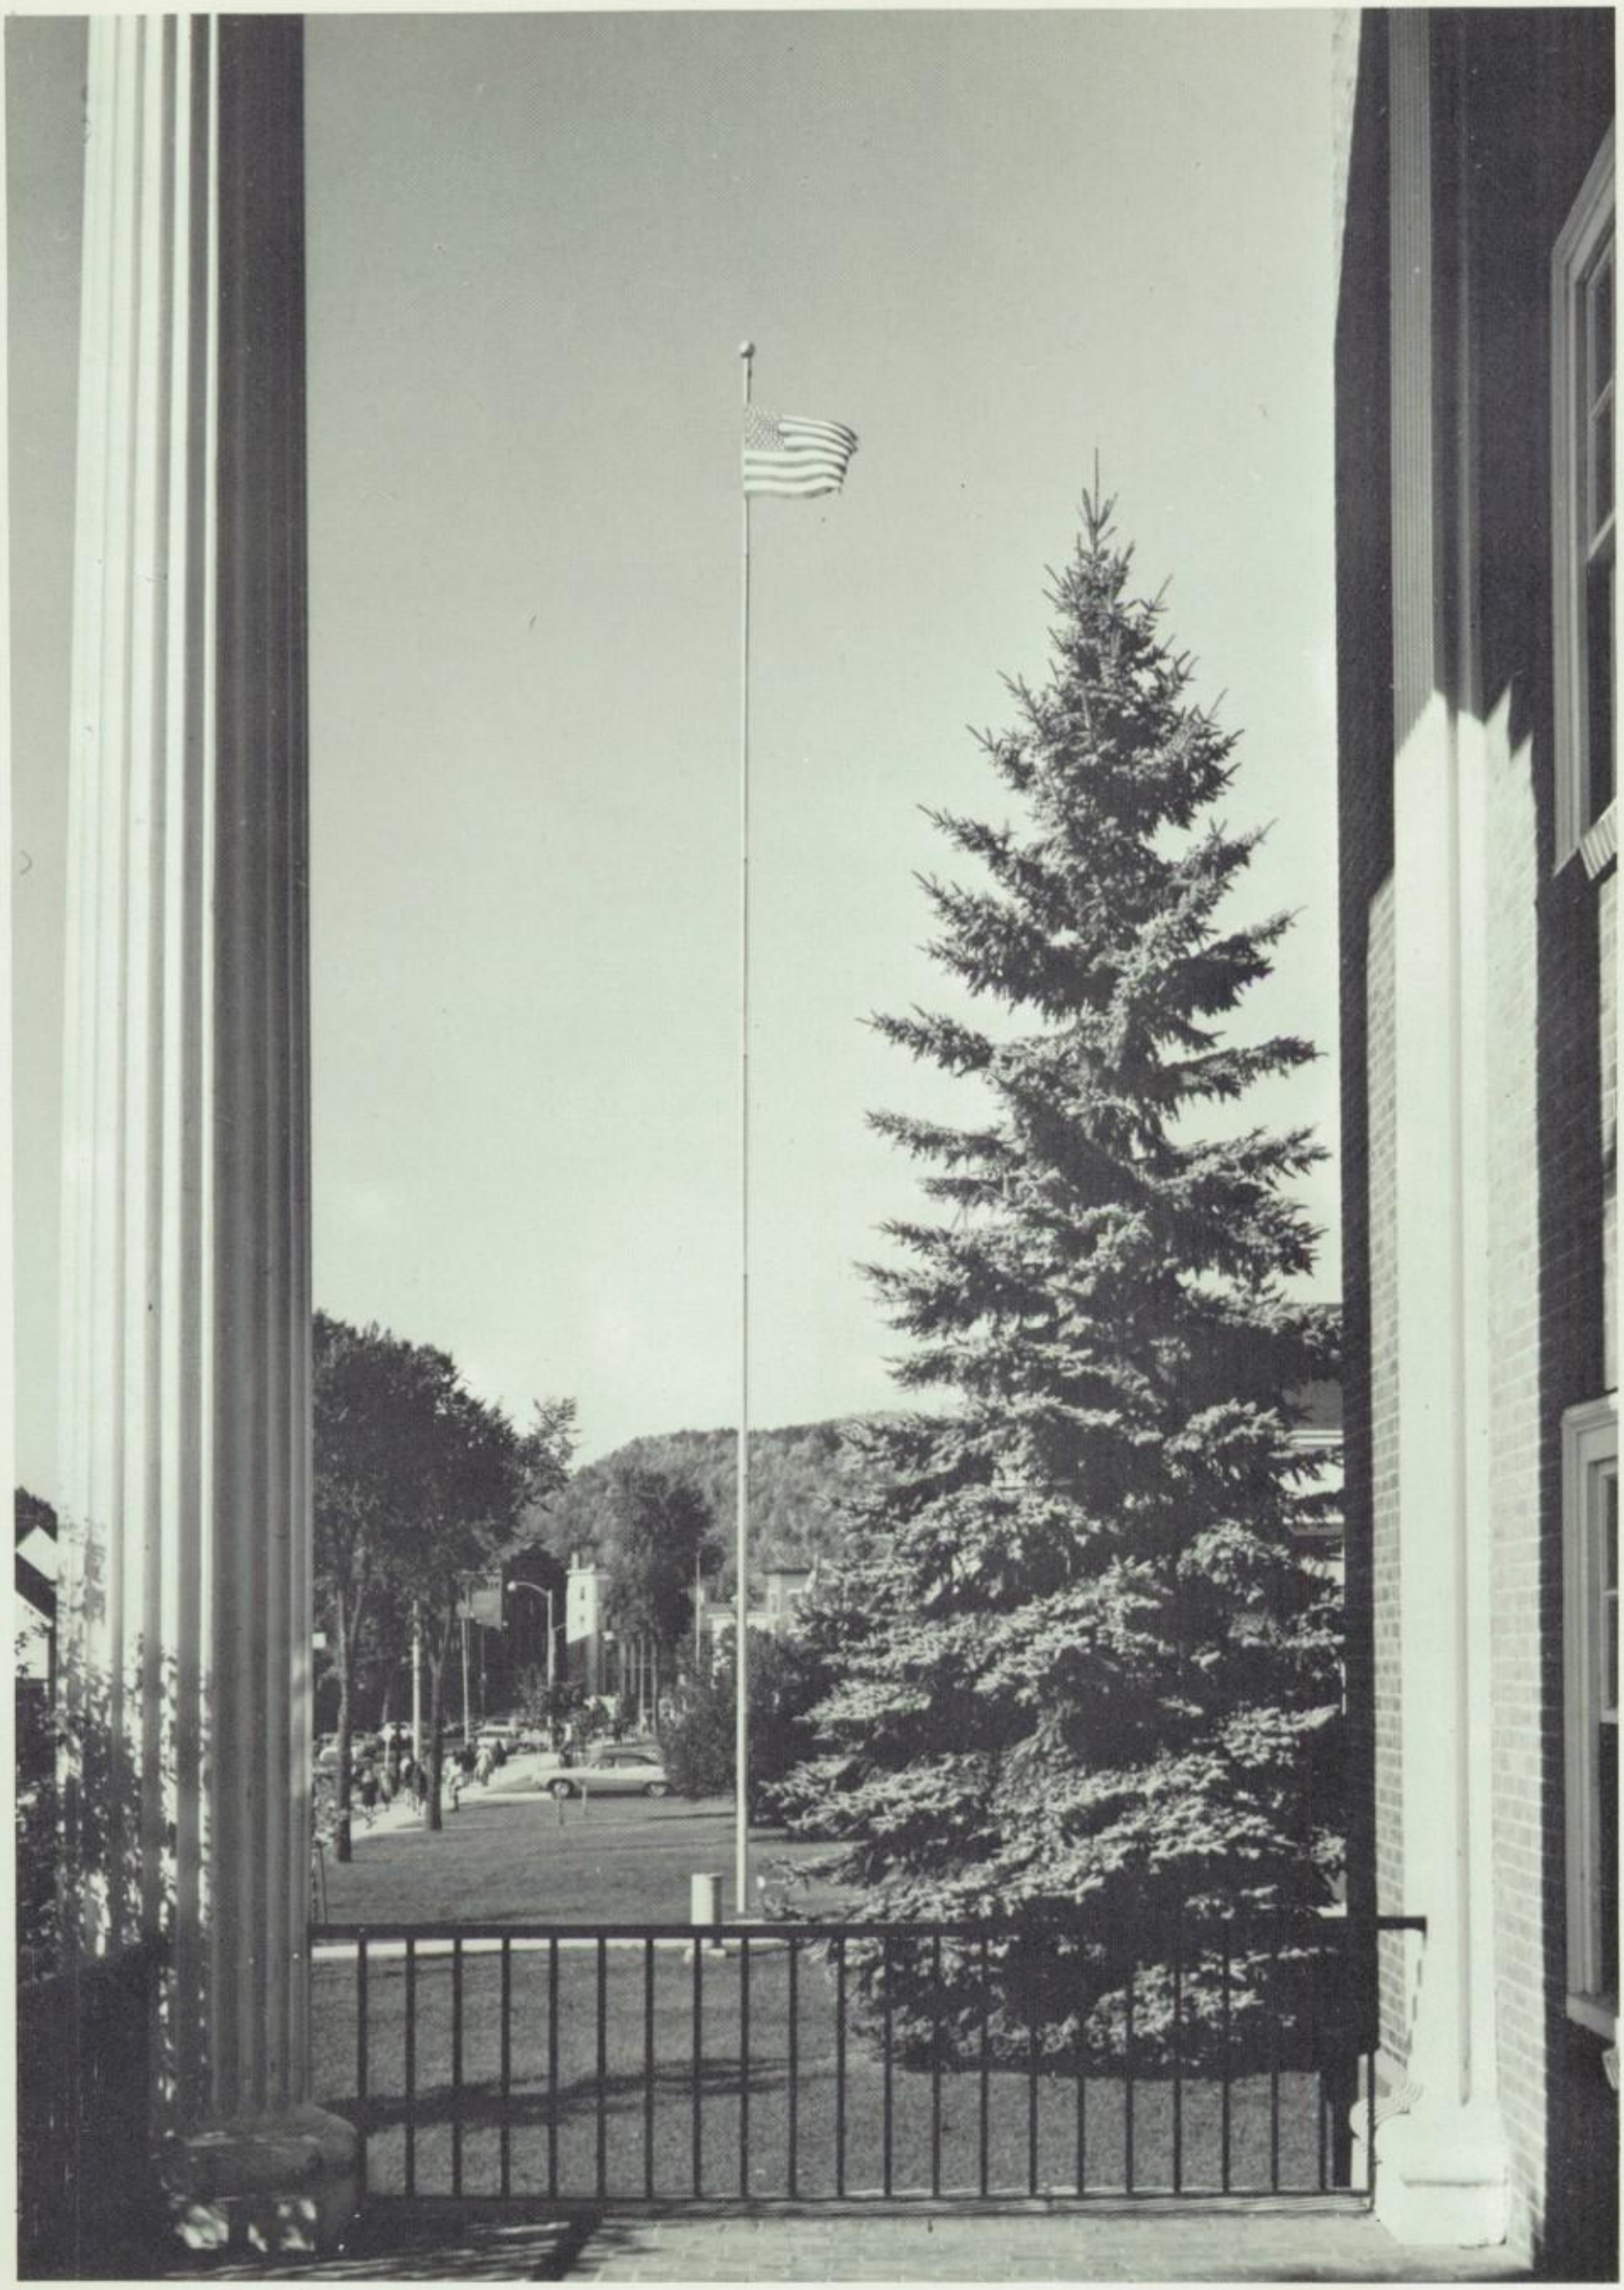
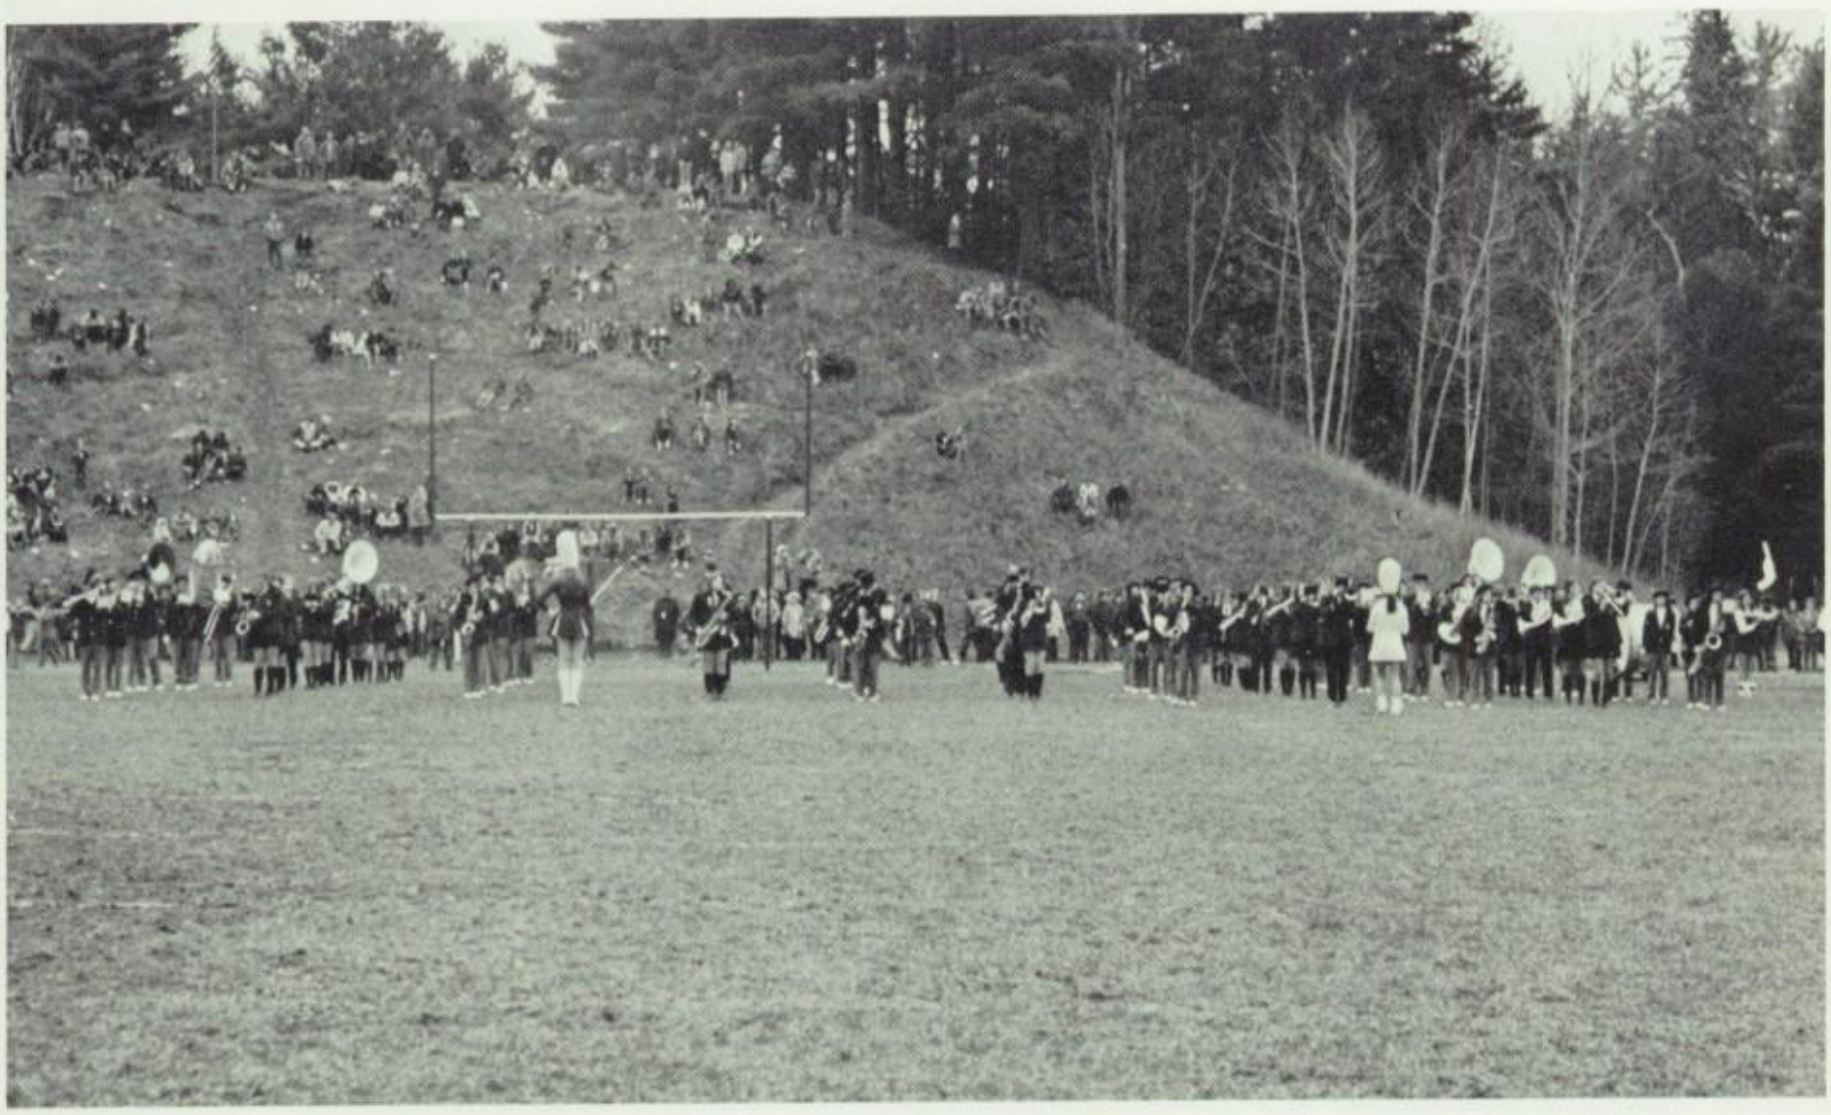
DEDICATION TO ECOLOGY

We, the Class of 1973, dedicate the next several pages of this yearbook to ecology, a major concern among many people today. The need to preserve our environment is one we should face if there is going to be anything left for future generations.



MEMOR
MNASIUM

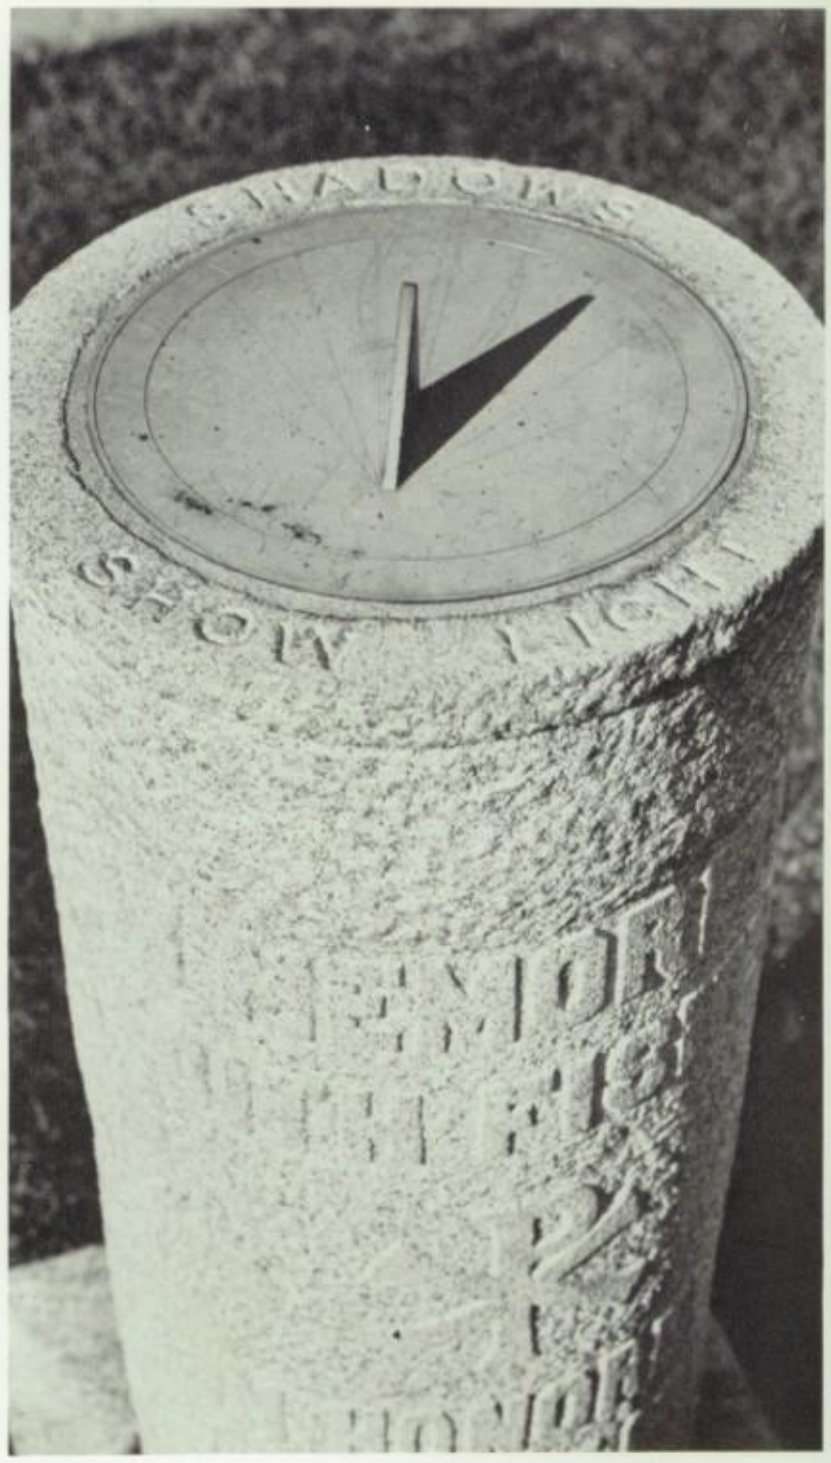
This land we inherited
from our forefathers,
to love, live upon, and cherish wisely
for the children of tomorrow.



Life is so precious
shall we not learn
its laws, dynamics, balances?
We should learn to look on renewal,
not on death, destruction, and waste.
Learn at last to form an environment
in tone with the balance of nature.

Air, water, and life,
these important natural resources
in their large cycles
continuously renew themselves
with the energy from the sun.

CARL RANGER HALL



The phenomena of life and death
on this planet Earth,
now rests in the hands of Man.
We know there are distant truths
beyond our insight.
How shall we learn - not to die - but to live
unless we overcome these?

It is difficult to say in a few words all that I feel about this graduating class. You have done much to make us proud and you have been exposed to many excellent opportunities during your four years at St. Johnsbury Academy. Make use of these experiences, continue to take advantage of opportunities, and live a happy and successful life. May God Bless each and every one of you and grant you your fondest dreams.

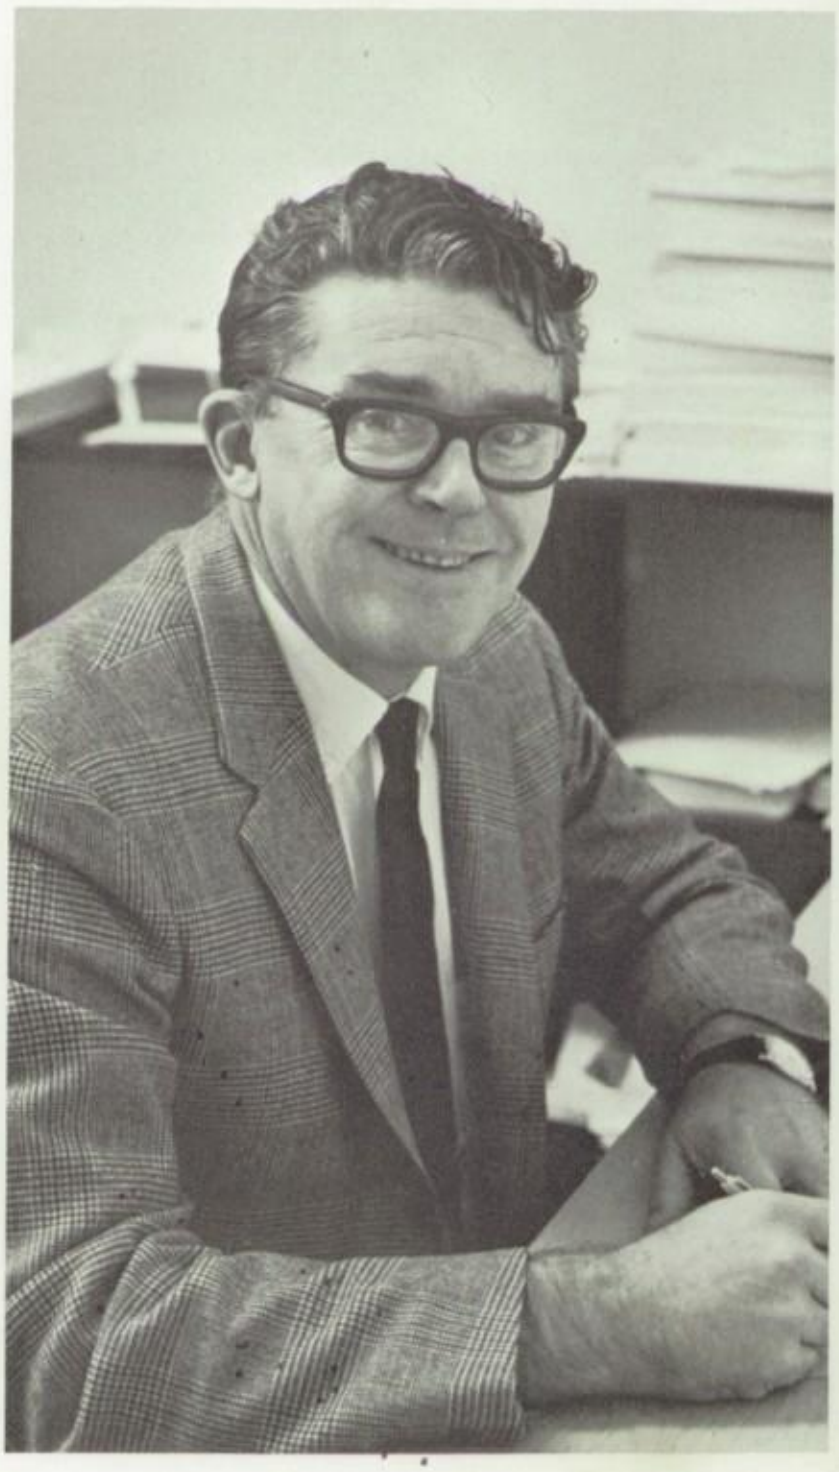
Vincent W. Durnan
Headmaster

DEDICATION

Mr. Ballard, a native of Quincy, Massachusetts, was awarded an undergraduate degree with honors from Emerson College in 1951. In 1958, he received his master's degree from the University of Delaware.

Mr. Ballard began his teaching career at the Emerson School for Boys as a history instructor and coach.

In 1953, he was appointed to the staff at Tower Hill School in Wilmington, Delaware. Following a five year assignment as the Assistant Headmaster and college counselor at Cutler Academy, Mr. Ballard joined the firm of Frank B. Curry as a purchasing agent.



In 1965, Mr. Ballard was appointed Headmaster at Queen Anne School in Upper Marlboro, Maryland, a position he held until his appointment to the St. Johnsbury Academy staff.

Mr. Ballard is married to the former Jane Miller. Mr. Ballard's three sons are Allen, Jay, and Peter.

Mr. Ballard is a tennis buff, and a football fan. He is even-tempered and always cheerful.

THE STUDENT HANDBOOK defines school spirit as "a tradition at St. Johnsbury Academy, and tradition helps make a good school spirit. It is faith in our school, and honest pride in its long and notable history. It is a desire always to keep high the reputation of the school and those who go there." The Senior Class Officers, because they are elected by their classmates, are tangible representations of both the tradition and the spirit that are St. Johnsbury Academy.

STUDENT LIFE

The faces of student life are always on the scene . . . cheering the team onto victory, giving a command performance during the year, or just there with a friendly smile.

REGISTRATION

School days of 1973 - filled with the roar of the crowd, and the thrill of friendship. Spirits started high and rose to meet each new day with promises that the best is yet to come. It's September and the beginning is good.

CROSS COUNTRY

"Head for the hills" could be the motto of any cross-country team, and the Academy in 1972 got to the hills first for much of the year. Paced by firsts by Frank Kelliher and Roger Carpenter and performances of the many freshmen out this year, the Hilltopper Harriers rolled up a 6 - 3 record in the Northeast Kingdom League; then placed second behind a great Woodsville team in the Kingdom Cup meet. The State Meet was a disappointment, only 12th place; but Caron Casteel sped to an excellent 28th spot in the huge event, the only bright spot in the day. The next three years should see more improvement as the frosh come along, and maybe Coach Hegarty will someday own a championship trophy for his striders.

L.I. WEEKEND

L.I. Weekend was, as usual, one of the highlights of the school year. It's an occasion that students, staff, and alumni look forward to with enthusiasm and spirit. It's difficult explaining the feelings and emotions associated with this event. Perhaps it's the sense of tradition you feel. Perhaps it's knowing that so many people in St. Johnsbury have taken such an active part in this event for so many years. Above all, it's a memory that you can share with your parents and your grandparents . . . a memory that you will probably share with your children and your grandchildren. From the "Pep Rally" on Friday afternoon through the "Victory Parties" on Saturday evening, it's a time for fun and good friends . . . a time to be cherished and never forgotten.

L.I. FOOTBALL GAME

On Saturday afternoon, November 4th, the bleachers of Fairbanks Field were filled with approximately 2500 fans who had turned out to witness the 68th meeting of St. Johnsbury Academy and Lyndon Institute. This has always been the most exciting game of the season and this year's contest was no exception. The Hilltoppers were explosive offensively but three fumbles recovered by the Vikings and 83 yards in penalties put the Academy in a hole they couldn't get out of. Scorers for the Green and White included Tino Rodd and Dennis Bean. Both Jim Warren and Mike Bean were outstanding in the quarterback position. The final outcome of the game was 20 - 18 in favor of Lyndon. Although this loss hurt, it was a game that had all the excitement that could possibly be packed into a high school football contest.

LYCEUM

Lyceum is a club for students who want to meet in informal groups to discuss great books. The club exists to provide an out-of-class forum for the discussion of books and issues and to provide an extra opportunity for students to broaden their cultural background before they go to college. We have read Shelly and heard Beethoven on top of Owls Head Mountain, and every spring we make a trip to the Gardiner Museum in Boston.

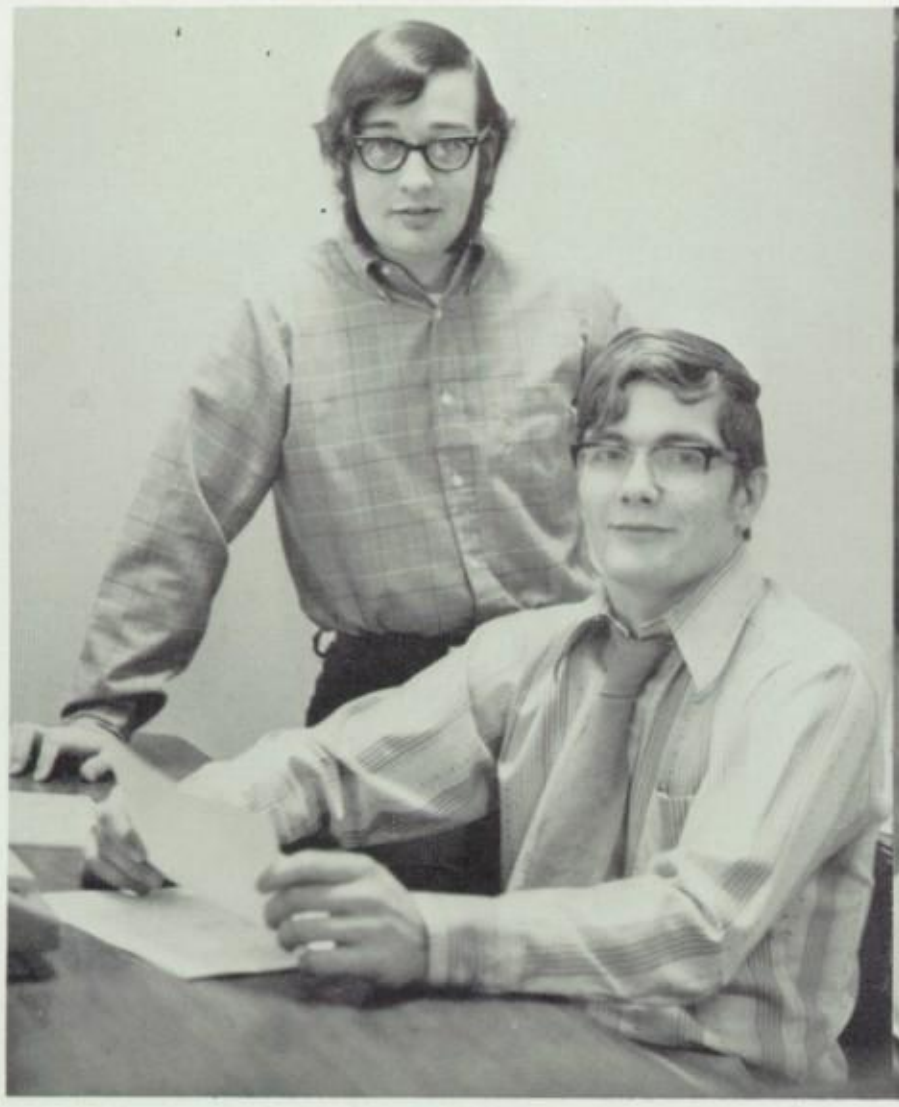
LAMP STAFF

"Our yearbook is going to be different," is a quote often heard among the yearbook staff. This year's staff has added copy and captions, enlarged the candids, provided more complete sports coverage, and revised the faculty section. We hope you like it.

This year 12 seniors and 1 junior got together to make up the Lamp staff. Mr. Nelson and Mr. Fiorelli were our advisors. Bob Garand, who was our editor, did a very good job managing the yearbook.



Our busines manager, Tom Heald, also did a good job at selling ads. Our goal was set at $1500, but that was easily surpassed by reaching the $2000 mark.

Our sports editors, Dave Carpenter (boys) and girls' editor, Leisa Lowrey, did excellent jobs, covering all of the sports activities this year. Charlie Dolgin and Joe Laberge were the photographers for the Lamp.

The staff worked long and hard in order to meet deadlines. All in all, it was a very good year.

LAMP STAFF

Mr. Wilkinson is in charge of the Guitar Club. This club is made up of two groups. The first is composed of beginning students learning the fundamentals of the folk guitar. The second section is reserved for advanced students who have mastered the fundamentals and are now studying the more sophisticated aspects of style and technique.

WINTER CARNIVAL

This year's Winter Carnival was a huge success, with the most participation and enthusiasm of the past few years.

To no one's surprise, the Class of '73 ran off with first place honors for the second year in a row. But the amazing frosh fooled everyone by copping second place, including a first in snow sculpture. The juniors were close behind in third spot, followed by the sophomores in fourth.

PANCAKE BREAKFAST

On Friday morning, the annual Pancake Breakfast was held in the Cafeteria. The menu consisted of hot pancakes, crisp bacon, juice, and milk or coffee.

This year the Pancake Breakfast had an added attraction. Class participation points were counted. The Freshmen class received the most points at the Breakfast.

The Breakfast proved to be very successful and was a wake-up booster to the events which followed during the day at L.O.C.

Following the mouth-watering pancake breakfast Friday, the Academy campus was deserted as students traveled to Lyndon Outing Club for skiing and sliding events. The skiing events were held in the morning followed by the sliding events in the afternoon.

In the skiing events, Mark Smith and Jan Sherman won the boy's and girl's downhill skiing; Tony Simpson and Cindy Hoyt were the victors in the slalom; and Bill Goodhue and Kathy Brock won the cross country.

In the sliding and inner tubing events, the Freshmen and Juniors were the winners.

After the finish of the sliding and skiing events, everyone headed back to S.J.A. for the volleyball event.

WINTER CARNIVAL ROYALTY

Crowned King and Queen at the Sno Ball were Peter Stanton and Cindy Hoyt, flanked by first attendants (left) Steven Perkins and Liddy Graham, and second attendants Jane Jones and Tino Rodd. The royal pair were crowned by St. Johnsbury representative Gregory Reed, behind the throne.

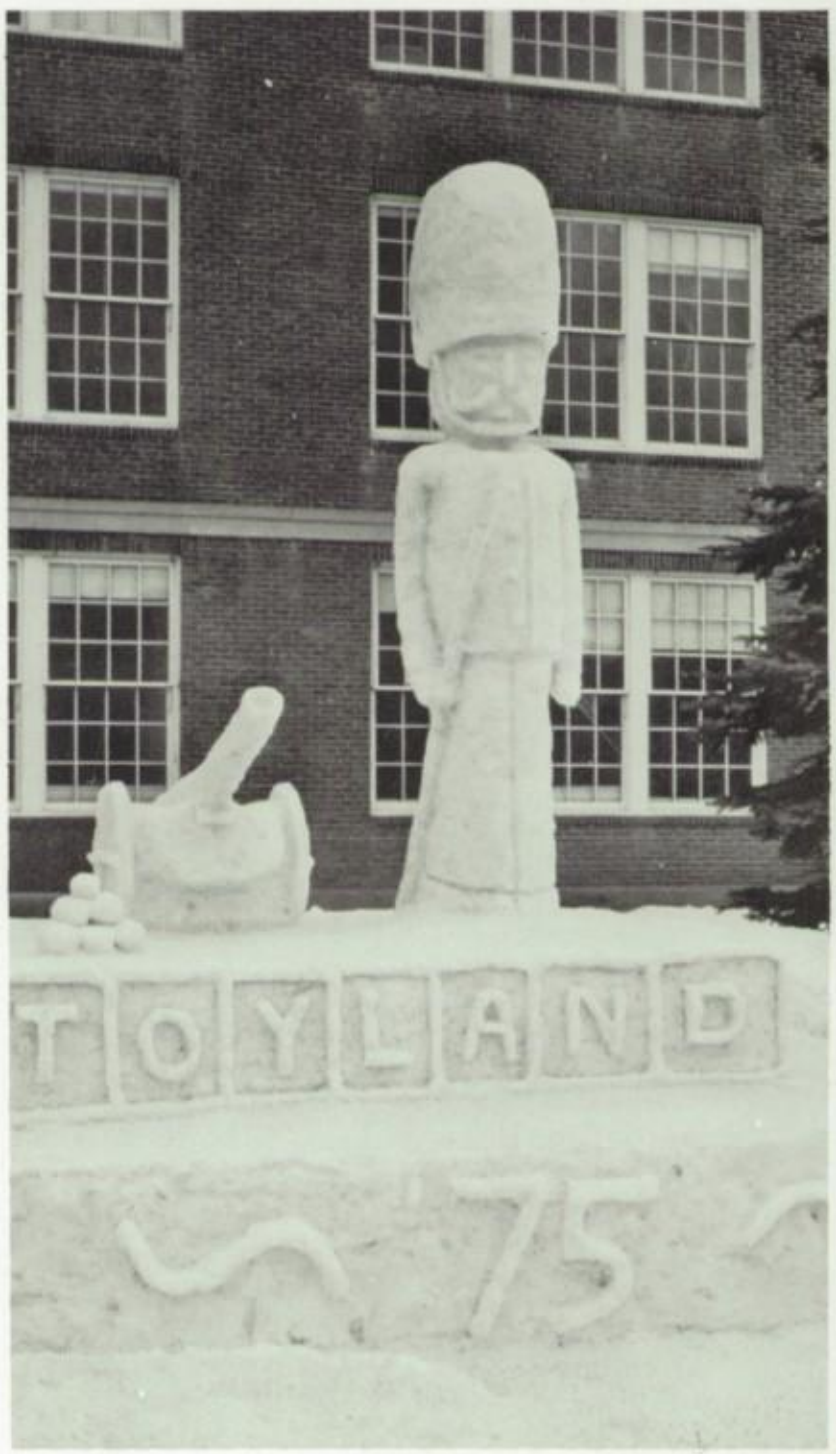
This year a new event was introduced to the Carnival. This event was the non-skill event.

This event consisted of a water bag thrownig contest, an ice melting contest, and the dizzy-izzy event. (Going around a baseball bat 10 times.)

A crab soccer game was also played; the seniors being the victors.

Prior to the non-skill events, the boy's and girl's basketball games were played. The girl's finals were between a junior team and a senior team.

The boy's finals were no real contest, because it was the seniors vs. the seniors. It was still fun to watch, though.



Freshmen Sculpture

The judging of the sculptures was held at 1 Saturday afternoon. Many hours of hard work and planning went into this competition. The theme of the carnival this year was TOYLAND. The judges of the sculptures were Mrs. Boardman, Mr. Haskins, and Dr. Atwood.

View of Senior and Sophomore Sculptures

The Freshmen's jack-in-the-box (pictured above), which tied for first with the toy soldier done by the Class of '75, was unusually good compared to other infamous sculptures done by past freshmen classes. The seniors' rocking horse took third, and the castle done by the juniors was last.

Saturday was the final day of activities for the Winter Carnival '73. Things started off early in the morning with the hockey finals. The Senior boys won over the Juniors with a score of 5-0. Then, the Senior girls beat the Freshmen with a 4-0 shut out.

Following the hockey finals were the skating events. They included distance racing, backward, dash, and three legged events for both girls and boys. The Seniors and Freshmen dominated the skating events.

The afternoon started off with the finals in girl's basketball. The Senior girls beat the Junior girls in this match, 44-39.

Following the girl's game, the boy's basketball finals were played. This game was played between the two top Senior teams; naturally, the Seniors won!

To finish off the Winter Carnival, a Toy Dance was held Saturday night at the gymnasium. Here our Teddy Bear, Dave McDonald, was presented with a teddy bear, a box of candy, and a kiss from the Queen. Later in the evening, the winners of the Carnival were announced. The Seniors took first with the Freshmen, Juniors, and Sophomores following. Cindy Hoyt and Mark Smith were presented trophies and named skimeisters of the '73 carnival.

This year's Winter Carnival was surely the best yet!

COOKING CLASS

One of the innovations of the Commodity Foods course this year was the preparation of "Gourmet" meals for the teaching staff. Under Mr. Carroll's watchful eye, these future chefs of America were able to perfect their talents and bring a little pleasure to all those involved.

WRESTLING TEAM

This year's wrestling team was one of the finest in the state. The boys, under the guidance and direction of Mr. Murray, proved unstoppable. Many Academy records were broken because of the skill and perfection of a talented and hard-working team.

ROW 1: S. Allen, K. Armstrong, M. Darling, M. Poole, M. Gonyaw, A. Adams, R. Michaud, W. Bullock.

VARSITY BASKETBALL

Although this was not a very successful year on the courts, it was a year in which athletes were able to learn the fundamentals of this sport in order to build toward a more promising future. The experience gained by this year's juniors will almost certainly improve our record for next year.

ROW 1: M. Sanchez, L. Noel, B. Parks, D. Carpenter. (Trainers and Managers)

ROW 2: P. Stanton, T. Rodd, C. Bickford - Captain, B. Wilson, N. Smith, J. Leavitt.

ROW 3: Coach Higgs, B. York, R. Knutsen, W. Letourneau, S. Payne, D. Therrien, J. Warren, D. Cowens.

This year's Varsity Basketball Cheerleading squad consisted of ten girls. They worked every night after school practicing old cheers and learning new cheers. Despite the long season, they never gave up their spirit and enthusiasm. The girls traveled to most of the away games, and also cheered at the home games. The cheerleaders also showed their support for the team by wallpapering the gym with large posters, signs. AND they highlighted the team with a large hoop at home games.

ROW 1: P. Rexford, captain, M. Hurley, P. Gilding.
ROW 2: C. Stewart, M. Byrne, S. DeKoeyer, K. Parrish.
ROW 3: C. Wennerstrand, C. Fortier, W. Jones, co-captain.

GIRLS BASKETBALL

Mrs. Johnson and Mrs. Morrison are at it again teaching those girls how to dribble, pass, and make the basket. The girls started off with a bad beginning, but they still played in there fighting.

The girls have excellent teachers, Mrs. Morrison for J. V. 's and Mrs. Johnson for Varsity. And those girls try hard to please their leaders.

The girls' season ended with a fine record which enabled them to make the state basketball tournament. Although the team played a hard game, they were eliminated from the quarter finals.

ROW 1: J. Marinelli, G. Rossier, L. Graham, C. Bunnell, C. Francoeur, E. Stahler.

ROW 2: S. Dolgin, N. Pike, M. Pepin, D. Robinson.

ROW 3: K. Johnson, A. True, D. Villeneuve, S. Prevost, Mrs. Johnson, Coach.

BASKETBALL JV

This season's Junior Varsity team proved to be a cohesive, hard working group of young ball players. Although they won only three games, all three came near the end of the season, demonstrating definite improvement both individually and as a team. Size proved to be one of the most serious drawbacks for the junior Hilltoppers but they stayed in many ball games with their defense and hustle. Sophomores Ray Desilets, Keith Isham, Ron Bouffard, Tom Carroll, Ken Bean, Gordon Farnsworth, and Tony Bundy along with freshman Dennis Goodwin were the mainstays of the club, and can be expected to be valuable additions to the varsity in the future.

MAT MAIDS

The Mat Maids have always been one of the most dedicated group of students at St. Johnsbury Academy. They are the hard-working girls who are seen around campus supporting our wrestling team. These girls are called upon to make the student body aware of how fortunate we are to have such a fine group of athletes representing us. They are of invaluable assistance in the preparation for and conducting of the Academy's matches.

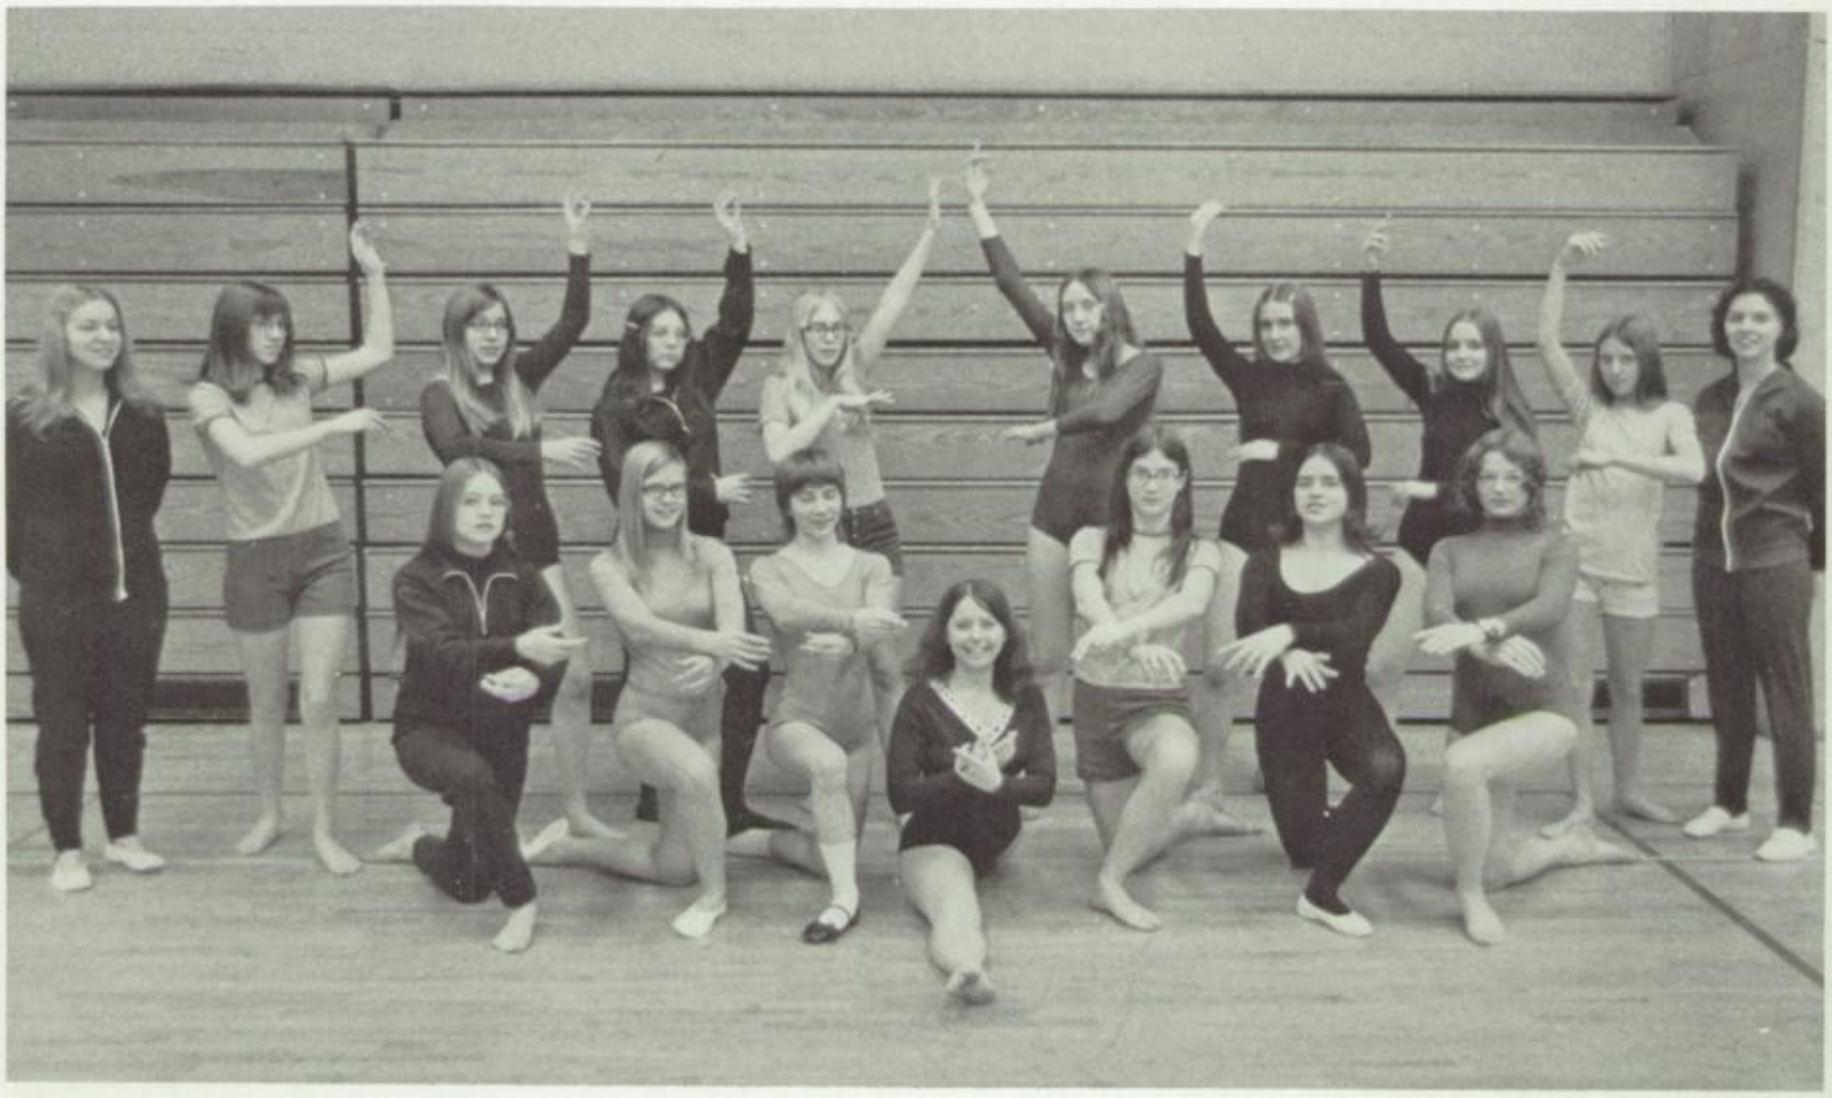
GIRL'S GYMNASTIC

Miss Wallace's gymnastic girls are coordinated, skillful, and also graceful. Our girls didn't see competition this year, but by no means does this indicate the sport is loosing interest, if anything it's gaining.

When asked why the girls joined, they remarked, "Because we like it." With the small area and small amount of equipment the girls have, they still seem to be going strong. You could almost say that their motto is, "If at first you don"t succeed, try, try again," and believe me that is just what they are doing.



ROW 1: D. Gonyaw, M. St. Peters, J. Sager, K. Lamother, A. Damon, L. Fellows, S. Call.

Although distinct in terms of titles, the Flag Team and the Color Guards are united in terms of purpose. They represent the physical embodiment of Academy tradition and pride. They are responsible in large measure for creating and instilling within the student body a sense of spirit and respect for values associated with the Academy.

A.V. CLUB

Mr. Murray and his staff of AV volunteers are an indispensable part of education life at St. Johnsbury Academy. This year, the Academy made a considerable investment in video tape equipment. We now have the ability to record and broadcast our own educational programs to any part of the school. The AV Club's diligent and conscientious efforts in arranging and setting up these aids is appreciated by the faculty and student body alike.

STUDENT COUNCIL

This year's student council was responsible for several innovations at the Academy. Among the most important to students was the opening of a "Student Lounge." Academy pupils were allowed to visit the lounge during their free periods in order to enjoy in juke box with friends. It was a little something extra that contributed to a higher morale among students.

The home economics department offers two programs to both boys and girls of the Academy.

One area of study is Wage Earning Home Economics, a vocational program designed to train students in the clothing and textiles field for future employment.

The second program is consumer studies and homemaking. The units of study include child development and care, foods and nutrition, interior design, clothing, financing, marriage and personal adjustment. These areas are provided for during a three year course of study.

GIRLS SOCCER

The girls' soccer team is primarily intramural in nature. However, for the last few years the team has made an annual trip to Blue Mountain where they have played against representatives from that school. Aside from learning the intricacies of this game, each girl is given the opportunity to meet and compete with other girls from around the state.

INTERNATIONAL CLUB

Helping today's youth to be tomorrows leaders, the club promotes interest in world affairs through a program of lectures and discussions revolving around the sponsorship of the American Field Service. This organization also encourages cultural and fund-raising activities throughout the year.

THEATER

Lighting up the marquee of Fuller Hall, students interested in all aspects of theater arts, from actors to stage hands, from set designers to sound and lighting technicians, gave us productions as, "The Glass Menagerie" and "The Night Thoreau Spent in Jail."

BOWLING LEAGUE

This year the Bowling League consisted of 30 bowlers making up 10 teams. We met every Tuesday afternoon at Gold Crown Lanes for a few hours of fun and much competition between the teams. At the end of the year trophies were awarded to the first, second, and third place teams.

Bowling is a lot of fun. Come on out and try it, you'll like it.

St. Johnsbury Academy marked its 130th Anniversary Wednesday, December 13, 1972.

On December 13, 1842 a small house (Crossman), owned by the Fairbanks Family and located near the present site of the courthouse was renovated and "a school for instruction in the higher branches" started its first day.

On that opening winter day 130 years ago, 23 students attended classes. James Kelsey Colby, a graduate of Dartmouth College, was the first principal.

Now, more than 800 students attend Academy classes. Vincent W. Durnan, a graduate of Boston College, presides as the school's 21st Headmaster.

On its opening day, Academy students were offered eight courses of study. The students presently have 150 courses to choose from under college preparatory, business preparatory, and trade and industrial preparatory classifications.

HAPPY BIRTHDAY ST. J.A.

The Academy's 130th anniversary observance was complete with a huge birthday cake made by John Carroll, '53, and his staff of the Commercial Foods Department.

CHRISTMAS CONCERT

This year's Christmas Concert was held on December 21st in Fuller Hall. Mr. Heald conducted the band and chorus in traditional Christmas favorites. Several of the highlights of the performance were renditions of the "Messiah" Overture, selections from Jesus Christ Superstar, and an inspired and inspiring Christmas "Suite."

We pause for a moment in memory of
